All the latest news from Art HB – September 2021

Hello Hawke's Bay artists and friends of Art Hawke's Bay

Welcome to the September 2021 Art HB newsletter. Here is some initial news on our planning for the 2022 exhibition:

'Artfully Yours' - 2022 Exhibition

- The exhibition will again be named 'Artfully Yours'
- The categories and prizes are planned to be the same or very similar to the 2021 exhibition:
 - Land
 - Water
 - People
 - Art Unlimited
 - Abstract
 - Sculptures
 - Schools
 - Mystery prize
 - People's Choice
 - Best-in-exhibition
- The exhibition is planned to be held at the Arts Inc. Centre in Russell Street, Hastings.
- We are thinking of having the exhibition run from 2 May 2022 to 14 May 2022.

The selectors:

We believe that we have found two great selectors for the 2022 exhibition. Names to be released in future additions of the Oracle. We are keen to organise a free workshop again (if we can) and will let you know how we get on.

Provenance:

We are considering asking our artists for some words to describe themselves and their work at the next exhibition. The intention is then to place these comments next to each painting/sculpture. So that visitors can read about the artists and their work. We can provide these notes to purchasers.

Some examples:

Artist: Sherillio

Medium- Mixed media

Description: My intuition guides me to create with colours that speak to each other also using a mixture of techniques to create mystery.

Artist: Jane Doe

"I can't remember a time when I didn't draw. Whether it is a painting or sculpture everything starts with drawing. My art speaks for me as words do for an author."

Description: Painting: The Journey

A mixed media painting created with a limited colour palette. This artwork evolved without preconception was are guided by intuition.

Artist: Karen J

Karen was introduced to large abstract acrylic painting and influenced by well known artists John Ford and Ted Bracey at Hamilton Teachers' College in the 1970s. (26 words)

Description: Painting Title: The Dreaming. This is mixed media painting which I love. It reminds me of Aboriginal Art hence the title (17 words)

The 2021 Annual General Meeting (AGM):

The 2021 Annual General Meeting (AGM) is planned for **Friday 15 October at 3 PM** at the home of Hans & Winnie Doevendans at 244 Crystall Road, Havelock North. Any proposals to change the rules will need to be received by the secretary by Tuesday 14 September so that we can advise the members of the proposed changes. Please email the secretary if you like to attend.

In case there are COVID-19 alert levels that do not facilitate a meeting, we will email a zoom link to all those that have advised us that they are coming. We will need email addresses.

Art HB window promotion:

We may have an opportunity to show off some art in the centre of Hastings. An empty shop will allow us to hang paintings there until the shop is leased again. This can be a short

or long time. The paintings are not insured. One suggestion has been to show some paintings from the different Art Groups in HB. For that, we would need a painting and a description of the Art Group to hang beside the painting. Please contact Sheryl at 50sheryle@gmail.com if you are interested. Please be fast; we will start on Tuesday 14/9.

The Grant providers, prize sponsors and other sponsors:

How lucky are we with our grant providers and prize sponsors! Over the years, we have been lucky to receive grants that make the exhibition possible in its current format. We have also received the enduring support of our prize sponsors, some of which have been sponsoring Art HB since the very early days. Thank you for making this possible. You should know how much we appreciate your assistance.

Several of our sponsors have advised that the 2021 exhibition would be the last one. Mitre-10 has sponsored the Best-in-Exhibition for many years and we are grateful for their generosity over this time, which included promotional space in the Hastings and Napier shops. Thank you Mitre-10.

If you know of any organisations that would like to help sponsor prizes or sponsor in a different way, please let our chair know (hans@qmacs.co.nz) with contact details. Please assure yourself beforehand that there is a genuine intent to sponsor; don't just provide names without asking first.

For those who don't know what Art Hawke's Bay is about:

"Art Hawke's Bay is not an art club. It is a charitable incorporated society that has the purpose of fostering art in Hawke's Bay; the committee organises an annual art exhibition and competition for members of all Hawke's Bay art groups to enter. We are pleased and proud to have been bringing together artists in this way for fifteen years with fourteen exhibitions."
